## ANNEX CORNERSTONE UNVEILED

It was a happy day on Sunday, October 30, 1949, when Dr. C. O. Bengston, President of the Illinois Conference, Augustana Lutheran Church, unveiled the cornerstone of the new annex building. He is pictured with Pastor Bexell immediately after the impressive service on location.

## ANNUAL PASTORAL REPORT

To the Swedish Evangelical Lutheran Church,  
Andover, Henry County, Illinois

"Grace, mercy, and peace, from God, our Father, and Jesus Christ, our Lord."

"God was pleased to make known what is the riches of the glory of this mystery among the Gentiles, which is Christ in you, the hope of glory."  
—Colossians 1:27.

The Apostle Paul was always joyful. He had "learned in whatsoever state, therein to be content." While a prisoner at Rome, he wrote to the Philippians an epistle, the keynote of which is joy. During the same imprisonment he composed this letter to the Colossians.

The Word of God is described by Paul as a "mystery manifested to his saints." To these "saints" through no merit of their own, but by the grace and will of God, this mystery has been made known in all its glory. Paul states it thus: "To whom God was pleased to make known what is the riches of the glory of this mystery among the Gentiles." The full wealth of the divine mercy and goodness has been revealed in the inclusion of the Gentile peoples of all the world in the saving purpose of God. It was in the mission to the Gentile world, entrusted first to Paul, that the universality and full glory of the gospel was made known.

The essence of this "mystery," the center of the gospel, is Christ—"Which is Christ in you," writes the apostle, "the hope of glory." The words may be translated, "Christ in you," or, "Christ among you." It is such a Christ that Paul has been sent to proclaim, and his aim he declares to be sanctification of all believers—"Whom we proclaim," he writes, "admonishing every man and teaching every man in all wisdom." Thus he indicates that the two chief functions of the church are "Warning," or reproving of error, and "Teaching," or instructing in the faith.

### OUR CENTENNIAL—

We are again reminded that it is just one hundred years ago this fall since Pastor Lars Paul Esbjorn came to Andover and began the great work of evangelizing the forefathers of this congregation. His task was not an easy one, but we thank God that he continued steadfastly to sow the seed and to build the church in the fear and admonition of the Lord.

It will be the responsibility of this congregation gathered tonight for its annual business meeting to make definite plans and commitments for a proper observance of our church's centennial next summer. The Board of Administration has already chosen June 16-18, 1950, as the dates of our special celebration. Tentative arrangements have been made to write, rehearse and present an historical pageant on Friday evening, June 16th.

Some verbal invitations have been extended to former pastors and church dignitaries to be present and take part in these festivities, but we believe that it would be wise to write to them, so that they might make definite plans to be here, and have plenty of time to prepare themselves for their parts in the program.

#### WORSHIP SERVICES AND THE SACRAMENTS—

In spite of some record attendances at special services during the past year, it is disconcerting to note that the average attendance for the fifty-one Sundays when we had regular Sunday morning worship services showed a drop from two hundred and one in 1948, to one hundred and eighty-eight in 1949. Why should there be thirteen people less at church this year than last? Has not the same gospel been proclaimed the past year as previously? Do we need less of the fellowship with Christ today, than when we first believed? May we not challenge ourselves with the question which Jesus presented to Simon Peter—"Will ye also go away?" Certainly his answer should also be ours—"To whom shall we go? Thou has the Word of everlasting life!"

On Conference Sunday, a member of the Augustana Foreign Missionary Society took charge of the services. During the pastor's vacation, Dr. Carl A. Anderson, a professor of Old Testament Theology, and Mr. Louis Almen, a seminary student from Augustana Theological seminary, served as pulpit supplies. On Reformation Sunday, it was our privilege to have Dr. C. O. Bengtson, President of the Illinois Conference Augustana Lutheran church, as our guest speaker. He also took charge of the unveiling of the cornerstone of our new annex building.

During the Lenten season we had services on Ash Wednesday and each succeeding Wednesday evening, except during Holy Week, when we had a communion service on Maunday Thursday evening. We also had a special series of Lenten services on the Sunday evenings of Lent and all these services were rather well attended. Our practice of using Self-Denial offering envelopes for Lutheran World Action was used again this year, and the proceeds were gratifying, although we did fail to meet our total goal by over \$300.00. "Let us not weary in well doing," even in this very worthy cause.

On Saturday evening, April 30th, our congregation was host to the Luther College a cappella choir, from Wahoo, Nebraska. Their service of sacred song was appreciated by our folks, and the good impression of forty Christian college young people was very good among us all. About a week later on Mother's Day evening to be exact, the Galesburg District Pastors' chorus gave a sacred concert of well-known hymns and special anthems, and Dr. Orville K. Bosse, of Woodhull, gave the meditation of the evening. Their service was especially noteworthy, inasmuch as they turned over all the proceeds of their dozen or more concerts, totaling well over five hundred dollars, to a special project of equipping the dining room at the Andover Children's Home.

Again this year we have conducted six regular communion services, with six hundred and thirty-nine registrations. This would indicate that one hundred and six have come to the Lord's Supper each time, which is very fine. But subtracting the fifty individuals which attended all six times, we are faced with the situation that about two hundred did not come to communion at all last year. This is a serious infraction of our confirmation vows and should be confessed and rectified in the days that are yet to be.

The sacrament of Holy Baptism has been conducted for sixteen children and two adults. We pray Almighty God to bless them in the Christian fellowship of our congregation and in the family circle of the church universal.

#### ORGANIZATIONS—

Our Board of Administration has continued to meet in joint sessions of both Deacons and Trustees, on the first Tuesday of each month. For special reasons, such as regarding details of our building project or transfer of members and plans for festive services, the boards have met separately. A very fine spirit of attention, faithfulness and cooperation has been expressed.

The Loyal Ladies' Aid Society has included a monthly Bible Study at its regular meetings and this has worked out very satisfactorily. For its special projects it has purchased twenty white confirmation robes for use both by the Junior Choir and by our Confirmands on Confirmation Sunday. The Ladies' Aid also installed a new kitchen sink at the parsonage and bought new linoleum for the vestibule and coat rooms at the church. The balance of the altar paraments ordered last year were delivered and were put into service. In the middle of June, the ladies collected over a ton of used clothing and shipped it to Lutheran World Relief.

Three Missionary Societies in our church have done much to bring the gospel to all nations. We have more subscribers to the Mission Tidings than are members of the W.M.S. This should do much to inform our people of the great work of missions, but there is no substitute for personal participation in the Kingdom's business. The Sororis Dantis Y.W.M.S., has continued its fine schedule of meetings and benevolences. The Junior Mission Society has held regular meetings and conducted mission lessons once a month during the Sunday School opening. A great deal of interest was evidenced in the project of sending toys to Africa; of making swabs with tooth picks for missionary hospitals; sewing diapers, receiving blankets and night gowns for migrants and delivery hospitals. In her financial summary, Mrs. Wallace Westerlund indicated that \$619.02 had been given by our Missionary Societies the past year to mission work.

The Mr. and Mrs. Society has met regularly and has set themselves a couple of very fine projects. The first is a birthday calendar with some four hundred birthday notations of members and friends of this congrega-

tion, which will be available in a week or two. The next project is the making of Sunday School equipment. They have ordered six kidney-shaped tables for use in the Primary Department and are also talking about making partitions for the various class rooms in the new Annex Building, for use during the Sunday School hour.

Sunday School has been conducted regularly each Sunday morning, with the exception of Visiting Sunday, which, this year, was observed on June 26. Our enrollment is still reported as one hundred and thirty-five below confirmation and sixty confirmed members, and forty-four in the cradle roll. We are fortunate in having a fine staff of teachers and officers, which are twenty-seven in number. As in previous years, the Sunday School has been graded according to departments and attained age, as well as to ability in some cases. We hope that with the new Sunday School rooms in the Church Annex we will be able to have departmentalized opening and more privacy in the conduct of individual classes.

The Sunday School teachers and officers have met regularly each month for devotions, a study to help improve the teaching, and the necessary business session. It has been deplored that we have not had a Teachers' Training Class for instructing and giving practical experience to prospective Sunday School teachers. But we have not wanted to interrupt the very fine Bible classes which are taught by Mrs. Justice Youngberg and Mrs. Edmund O. Rausch. The members of those classes are getting the benefit of excellent Bible teaching and we know that they will eventually want to express themselves in taking the responsibility of teaching a class of their own if the opportunity should afford itself to them.

Again this past summer we were privileged to conduct our Vacation Bible School at the Andover Grade School building. We had one hundred and two children enrolled, with fifteen teachers and assistants for a period of two weeks. It certainly was a joy to hear them give evidence of their experience and instruction both at the Confirmation examination and at the Vacation Bible School program held on Sunday evening, June 12th.

The Luther League has enjoyed fine progress the past year, with some splendid programs and with generally good attendance. It is a distinct disappointment to us that the League has decided not to sponsor the annual New Year's Wake as previously, because it served a very definite purpose in providing a wholesome Christian fellowship on a night when the world has tried to capitalize on people's desire to have "fun," when rather we should be thoughtful of our failures and pledge ourselves to better living in the future. The League is going to extend its interests by having two meetings a month—the one on the second Sunday evening, which will include a program, business and refreshments. The second meeting is scheduled for the fourth Wednesday evening and will be emphasizing the social aspects of youth work. A new 16 millimeter sound projector and screen has been purchased by the League from its Special Fund. This should be a fine investment and make possible a greater num-

ber of film services to both our League members and all the organizations of the church.

The Brotherhood has revived a great deal of interest by some of its many projects. The sustaining membership was supported by over fifty men from this congregation. Two boys were sent to District Bible Camp by our organization. Several of the summer meetings were held in the homes, with preliminary time given to sport's events and recreation. Mr. Russell Six, Elmer Dietz and John Louis Olson have shared responsibilities in the Boy Scout Leadership duties and this has worked out excellently, especially since they have had the use of the school facilities. Mrs. Clifford Rodell is no longer lone den mother for the twenty boys of the Cub Pack No. 30, with Mrs. Gilbert Westerlund and Mrs. Ralph Anderson helping with the Lynn Center den, but we do need more den mothers and assistants and volunteers would be very welcome.

The Andover Hospital Circle has had another active year, with a fine association with the Moline Lutheran Hospital. It has made several contributions of eggs, fruit, vegetables and donations of money for worthy projects at the hospital. It also made a very substantial donation, on the basis of their small membership, to our Building Fund, by giving \$300.00 for rest room equipment in the ladies' rest room.

A Junior Choir was organized last February and sang several times until it disbanded for the summer the latter part of June. But this organization has not revived thus far this fall, and we look forward to the time when this can be done. Because only as we train young voices for singing praises unto the Lord, can we hope to have replacement and a strong choir in the future. The Senior Choir continues its faithful rehearsals and presentation of anthems or smaller groups each Sunday morning. We thank them for their willingness and self-sacrifice to share their talents and hope that many more would join themselves with this musical group. We did show our appreciation to some degree to our organist, Mrs. Wesley Churling, by our surprise gift last summer, but may we not take her services for granted and forget to express genuine compliments for work well done.

#### OUR BUILDING PROJECT—

After several years of discussion and discarding several plans for modernizing our church facilities, we finally agreed unanimously to build a semi-basement annex building to the east of our present church building. The contract was let to Mr. George T. Hedberg & Son, of Moline, for a sum of \$42,075.00, and the construction and finishing work will be all but completed by the first of the year. Suffice it to say that we thank God for giving us the privilege to see the completion of this dream for Andover, which has been in the hearts of members and friends for decades.

#### STATISTICS—

Sixteen children and two adults have received Holy Baptism.

Eleven children were added to the membership by confirmation.

Nine adults and five children were received by transfer.

Five adults were received by adult confirmation.

Nine marriages were solemnized before your pastor.

Fourteen funerals have been conducted this year; nine adults and one child were members of the church. May we pause for a moment of reverent silence as we mention their names: Mrs. Lucinda Lindgren, Albert Lindquist, Arthur Vigor, Andrew Samuelson, Charles Eckberg, Wallace Peterson, J. Emmons Gustafson, Henry L. Larson, Frank Hollgren and John Dorn Becker. And on Thursday of this week we lay to rest Mrs. Justina Swanson. We are also reminded that last February, Mrs. M. J. Laure, one of our beloved former pastor's wife, was buried from our church. May peace be to their blessed memory.

Eleven adults and four children have been transferred out.

A total of thirty-one were dropped: seventeen men, twelve women and two children; leaving a membership of two hundred and thirty-four men; two hundred and twenty-seven women, or a confirmed membership of four hundred and sixty-one; a loss of twenty-three since last year's report. But with the two hundred and three baptized children, we still have a soul membership of six hundred and sixty-four.

It gives us considerable pleasure to present this report of our activities the past church year. But also it makes us very conscious of our failures and shortcomings. May God in His riches, bless us in His service and give us all a real sense of our responsibility in making Him known both at home and abroad.

We do want to commend the congregation for its fine spirit in supporting the Building Fund and the building project as a whole. It is quite a record for us to contribute over \$25,000.00 within two years for something beside our regular contributions. We know that God will bless us for our faith and will use our gifts to make our annex an honor to the service of the kingdom. May we now press on—forward—upward—onward—and not rest on our attainments. There are still gigantic tasks to be done and only by His grace and guidance can they be done.

“And now may the grace of the Lord Jesus Christ, the love of God, and the fellowship of the Holy Spirit be with you all.” Amen.

In His Service,

Everett L. Bexell, Pastor,

Dated, December 6, 1949.

Andover, Illinois.
